

# BIO STORAGE – Patent Deposit

## WE KEEP YOUR INVENTIONS SAFE IN SWITZERLAND

Store your microorganisms safely with CCOS for the purpose of patent procedure: We are your partner in Switzerland.

### **IDA Status acquired**

Since January 2017 the Culture Collection of Switzerland AG (CCOS) officially has the status of International Depository Authority (IDA) under the Budapest Treaty.

### **Patent Deposit in Brief**

CCOS keeps your biological material like cell cultures, bacteria, fungi and nucleic acids in accordance with the Budapest Treaty safe for 30 years.

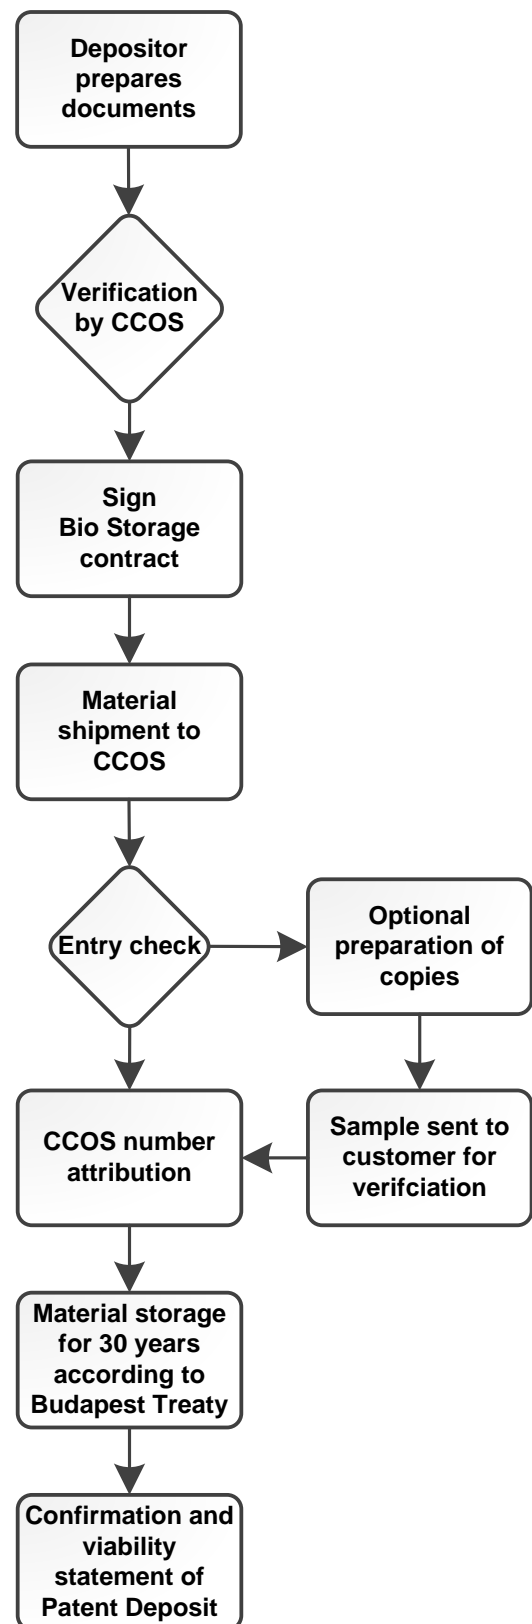

### **CCOS Bio Services**

Profit from our additional cultivation and storage services for initial storage and later compulsory distribution.
